FITNESS FOR AIR TRAVEL

EMOTIONAL SUPPORT ANIMAL		
Please complete all fields below and email to accessibility@airborealis.ca		
An Emotional Support Animal is used by a person with a mental health disability, as diagnosed in accordance with the Diagnostic and Statistical Manual of Mental Disorders, to provide support-based assistance and comfort. Carriage of an emotional support animal can provide relaxation and comfort to a passenger with a disability.		
Air Borealis will accept only dogs as Emotional Support Animals.		
Please return the completed copy of this form with required documents to Air Borealis no less than 96 hours prior to your flight. If submitted within 96 hours, we will make every reasonable effort to accommodate the request. Please note that approval is also based on space availability.		
Incomplete or illegible documents will not be approved.		
The owner must make all arrangements and assume full responsibility for complying with any laws, customs and/or other governmental regulations, requirements, or restrictions of the country, province, state, or territory to which the animal is being transported, including but not limited to, furnishing valid health and vaccination certificates, when required. Carrier will not be responsible in the event any such specialty animal is refused entry into or passage through any country, province, state, or territory.
